

Privacy policy - plain language version

How we use data submitted on this form: -

- 1) Personal data included on the contact form is received by email. Personal data in this instance is limited to your name, company, contact telephone number and contact email address. The information remains in our email archive until deleted or archived manually.
- 2) This information is added to our CRM and retained to allow us to contact you about the campaign(s) you have contacted us about. We may contact you to follow up your contact should we not hear back from you about the campaign.
- 3) We do not operate a mailing list and we do not carry out promotional telephone calling for our own company.
- 4) We don't share this data outside of Ringhello Ltd and our freelance operatives.
- 5) If you want it deleted from our email and CRM, tell us by email to hello@ringhello.co.uk and we will delete it.
